Petition to Our Hawaii State Legislators

We, the undersigned, residents and/or registered voters, call upon the Hawaii State Senate and State House, to set aside House Bill 444, HD1, SD1 and not allow the establishment of Civil Unions to erode the sanctity of marriage. Please focus your energies and attention to addressing the more pressing problems facing the state of Hawaii such as the economy and jobs. Think about the rights of thousands of Hawaii students to obtain quality education currently being short-changed because of "furlough Friday" and cuts in services for the elderly, disabled and poor. They, and not Civil Unions, should be priority ONE!
