“In one year I contributed over \$700 to my group

because I use my eScrip VISA to pay for almost everything I buy — groceries, gas, dining out, I even pay bills with it! Then I just pay my VISA bill every month, and my group benefits! It's easy, and VISA does my accounting for me! How much easier can it be to contribute to my group?”

“One of our supporters contributed more than \$1400

through the eScrip VISA program last year. This allowed us to outfit our yearbook staff with new digital cameras. They were so excited!”

“Raising funds with eScrip VISA is very easy,

and it's fun looking at my statement each month to see how much I've helped raise! Our PTA works hard raising funds for Hyde Elementary School. Last year, I raised over \$1,300 for the school by just using my eScrip VISA!”
