Help End Genocide in Darfur!

400,000 people are dead, 2.5 million are displaced and women and children are still being raped and tortured . . .

Act Now! Time is Running Out . . .

1 JOIN THE HAWAII COALITION FOR DARFUR

Simply e-mail Leanne Gillespie, coalition founder, at info@hawaii4darfur.com.

2 HAWAII SPECIFIC ACTION – DIVEST FROM SUDAN

Support HB 34, which would require the state employee retirement system (ERS) to DIVEST from foreign companies supporting the genocidal Sudanese government. HB 34 is expected to pass the legislature in final form the last week of the Legislature.

Please contact the Governor at (808) 586-0034 and ask her to sign HB 34. You may also e-mail her at Governor.Lingle@hawaii.gov.

3 FEDERAL LEVEL ACTION

Tell President Bush: No More Delays on 'Plan B!' Another deadline to cooperate has passed unheeded as Sudanese President Bashir continues to thumb his nose at the U.S.' diplomatic efforts to end the genocide in Darfur. President Bush has a "Plan B" - a three-tiered plan to push Sudan to end the genocide - but he keeps delaying its launch. **The time for talk is over, it's time to act.**

1. **Contact President Bush at (202) 456-1111 or email to: comments@whitehouse.gov.**

2. **Contact Hawaii's congressional delegation and ask them to TAKE A STAND.**
