## Good News! PAS Bill Gets Re-Referral to House Health Committee!

The bill to legalize physician-assisted suicide, HB 675, will be re-referred to the House Health Committee after all.

Thank you to all of you who took the time to get involved. We'd also like to thank [Speaker Calvin Say](#), [Health Committee Chair Josh Green](#), and [Judiciary Chair Tommy Waters](#) for their support of the re-referral. Please email and thank them for their support. (Click on their name to send them a direct email).

A public hearing in the House Health Committee is expected soon.

Stay tuned for more information about how you can participate in the public hearing. We'll need a good showing at the hearing.

Thanks again.
