## **Sudan Divestment Bill (HB 34) Becomes Law—Act 192**

We are thrilled to report that HB 34, which requires the Employee Retirement System (ERS) to divest state funds from companies actively supporting the genocide-implicit Sudanese government, HAS BECOME LAW. Act 192 was signed into law by Lt. Gov. Duke Aiona on June 18, 2007. (The Governor is out of the country)

THANK YOU TO ALL OF YOU WHO TOOK THE TIME TO BE INVOLVED.

While it is just a small step, we pray it will help bring an end to the genocide in Darfur. Sadly, the genocide continues unabated to this day. Please keep praying for an end to the genocide and get involved nationally by signing up with the Save Darfur Coalition. [www.savedarfur.org](http://www.savedarfur.org) We thank God for this small victory.

Mahalo again. We couldn't have done it without you!
