Facilitator Training

September 14-15, 2007

[\(CLICK HERE TO REGISTER\)](#)

How to Drug Proof Your Kids® (DPYK) is a facilitator led program designed to equip parents with vital parenting and communication tools that help foster discussion and build strong family relationships between parent and child. In this two-part program, Focus on the Family trains facilitators at DPYK Facilitator Training events, and then encourages and equips those facilitators to hold DPYK Parent Groups in their communities. We believe parents are the strongest force against drugs, and we are looking for individuals who are motivated to make a difference in the lives of children in their community, by becoming facilitators of this program.
