LEGISLATIVE ALERT

Kelly M. Rosati, JD
Executive Director

RELIGIOUS FREEDOM IN JEOPARDY – TAKE ACTION!

Planned Parenthood is again trying to pass legislation ([HB 2059](#)) forcing the Catholic Hospital, St. Francis, to dispense emergency contraceptive pills to sex assault victims. The problem is - ***emergency contraceptives can also cause early abortions.***

St. Francis does not perform abortions because of its religious commitment to the sanctity of human life.

It would be intolerant of the government to impose planned parenthood's values upon St. Francis.

Urge them **TO GIVE ST. FRANCIS A RELIGIOUS EXEMPTION IN HB 2059!**

As the bill moves through the process, we'll be asking you to make additional calls. Thanks for staying involved.
