HOUSE TO MAKE DECISION ON HB 444 THIS WEEK

We just received word that the House members will caucus tomorrow (Tuesday) on the fate of HB 444.

At this point we really need each of you to take the time to IMMEDIATELY contact your House members strongly urging them to OPPOSE HB 444.

Please blanket the House with PHONE CALLS and emails immediately. ([Click here for a current list of House members and their phone numbers.](#))

This is a great opportunity for our kupuna to get involved by participating in making the calls.
