

FINDING HOPE CHALLENGE

It's Time to Put Jesus Back into Christmas

We can end 2020 on a positive note by celebrating the real reason for the season with a challenge of Finding Hope. Hawaii Family Forum is encouraging all churches, businesses and residents to decorate and put up Christmas displays, especially Nativity scenes, that promote the reason for our HOPE - Jesus! No matter which social media platform you use, it should be inundated with pictures of Jesus.

HOW TO PARTICIPATE IN THE FINDING HOPE CHALLENGE:

1. Take a picture or video (no longer than 1 minute) from your phone of any Christmas scene that promotes Jesus as the reason for the season and post it on your social media platform with the #findinghopehawaii. Make it a public post so that everyone can share it.
2. Challenge 4 of your friends and family to do the same. Make sure you like the postings of those that participate so that the algorithms will show interest.
3. Visit hawaiifamilyforum.org/findinghopehawaii webpage for updates and possible map listings of where the best nativity scenes are located.
4. If you are a church and want to participate, please contact Sandra Young at sandy.oahu@hotmail.com. There are giveaways available for churches that participate and make direct contact with Sandra.
