**PROMOTING LIFE,
FAITH, FAMILY, AND
RELIGIOUS FREEDOM**

ABOUT HAWAII FAMILY FORUM

Hawaii Family Forum (HFF) was established in 1998 to protect, preserve, and strengthen Hawaii's ohana. We are a non-profit, pro-family research and education organization that believes in the protection of LIFE, FAITH, FAMILY, and RELIGIOUS FREEDOM.

We are never involved with political candidates or political parties; however, we will participate when public policy issues directly impact the future of our ohana, neighborhoods, churches, and communities.

OUR MISSION

To energize people of faith in Hawai'i through identification, education, motivation and activation. We are advocates and educators for public policy that impacts our families, neighborhoods and communities.

OUR VISION

Our vision is to see people of faith in Hawai'i united and equipped to strengthen life, faith, family and religious freedom.

"Everyone must submit himself to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God."
Romans 13:1

OUR COMMITMENT

At Hawaii Family Forum, we do everything from a foundation of love and compassion. We believe that every person is unique and made in the image and likeness of God, our Heavenly Father.

Our purpose is lived out first within our own ohana then extended, in love, to an increasingly broken world that desperately needs Him. To that end, we are committed to provide:

- Resources that equip citizens to make their voices heard on critical social policy issues involving the sanctity of human life, the preservation of religious liberties and the well-being of the ohana as the building block of society.
- Training to help citizens understand and passionately engage in policy issues relevant to families from a foundation firmly established in a biblical worldview.
- Encouragement so that each one of us can participate in the democratic process in order to build a better future for our keiki and our culture.

Please partner with Hawaii Family Forum to celebrate and protect the value of human life, faith, family (natural marriage) and religious freedom for the sake of your children, your grandchildren and all the children of Hawaii.
