# Hawaii Family Forum

Established in 1998

**PROMOTING LIFE, FAITH,  
FAMILY, AND RELIGIOUS  
FREEDOM**

IN HAWAII'S SINCE 1998

## ABOUT HAWAII FAMILY FORUM

Hawaii Family Forum (HFF) was established in 1998 to protect, preserve, and strengthen Hawaii's ohana. We are a non-profit, pro-family research and education organization that believes in the promotion of LIFE, FAITH, FAMILY, and RELIGIOUS FREEDOM.

We are never involved with political candidates or political parties; however, we will participate when public policy issues directly impact the future of our ohana, neighborhoods, churches, and communities.

## OUR MISSION

To energize people of faith in Hawai'i through identification, education, motivation, activation and connection. We are advocates and coalition builders on public policy issues that impact our families, neighborhoods, communities and future generations.

## OUR VISION

Our vision is to see people of faith in Hawai'i united and equipped to strengthen life, faith, family and religious freedom.

*"Everyone must submit himself to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God."*

Romans 13:1

## PROVEN TRACK RECORD

Since 1998, HFF has remained committed to help shape Hawaii's public policy from a family-friendly and biblical foundation.

## OUR COMMITMENT

At Hawaii Family Forum, we do everything from a foundation of prayer, love and compassion. We believe that every person is unique and made in the image and likeness of God, our Heavenly Father.

Our purpose is lived out first within our own ohana then extended, in love, to an increasingly broken world that desperately needs God. To that end, we are committed to provide:

- Resources that equip citizens to make their voices heard on critical social and moral policy issues involving the sanctity of human life, the preservation of religious liberties and the well-being of the ohana as the building block of a just society.
- Training to help citizens understand and passionately engage in policy issues relevant to families from a foundation firmly established in a biblical worldview.
- Encouragement and empowerment so that each one of us can participate in the democratic process in order to build a better future for our keiki and our culture.

**Please partner with Hawaii Family Forum to honor and protect human life, faith, ohana and religious freedom for the sake of your keiki, your mo'opuna and all the keiki of Hawai'i.**
